Attention: All TRIP users are reminded and strongly encouraged to register their full travel itinerary. This includes all stops, lay-overs or transfers with required flight information and updated contact details, not only points of departure and final destinations. UN personnel travelling are also reminded if there are any changes in your flight or travel itinerary, you must resubmit your request.

Updated and detailed contact information during your travels is required to enable UNDSS and other UNSMS organizations to locate and assist you in emergency situations in a timely manner, and/or provide you with timely updates on the security situation and incidents affecting your itinerary, including airport transfers. Thank you for your cooperation.
